

REPUBLIC OF THE PHILIPPINES
OFFICE OF THE CITY MAYOR
City of Naga

EXECUTIVE ORDER NO. 2015-007

INSTITUTIONALIZING THE ANNUAL ENERGY CONSERVATION WEEK IN THE CITY OF NAGA, DEFINING ITS PURPOSES AND OBJECTIVES, AND ESTABLISHING THE WORKING COMMITTEE:

WHEREAS, it has been predicted by concerned government agencies that there will be an energy crisis starting this year 2015 which will affect the normal lives and activities in the country;

WHEREAS, various initiatives and policies have been put to place but, partly due to the very limited time to prepare, the impact of these initiatives and policies will depend on the type of mitigation which both the national and the local agencies and communities can set-up;

WHEREAS, it will be noted that the response of both the public and the private sector on energy crisis has mostly been reactive where policies to be strictly adhered to are often forgotten, and initiatives are generally not sustained;

WHEREAS, the emergence of new renewable energy technologies are rapidly increasing and becoming a selling point for the so-called earth-friendly, energy-efficient products. It is the new fad in technology development that is expected to continue in the coming decades;

WHEREAS, the looming energy crisis response and the trend on new technologies provide an opportunity to institutionalize programs promoting energy conservation.

NOW THEREFORE, I, JOHN G. BONGAT, Mayor of the City of Naga, by virtue of the powers vested in me by law, do hereby order:

Section 1. Annual Energy Conservation Week. There shall be an observance of the Annual Energy Conservation Week in the City of Naga come 1-7 March 2015 and every year thereafter;

Section 2. Purposes and Objectives. Such observance must provide opportunities to impart and promote new renewable and efficient energy technologies; mobilize the citizenry towards a better understanding and adoption of energy conservation measures; provide venue for various stakeholders to brainstorm, formulate and develop possible programs and projects for more effective and efficient energy conservation initiatives both for public and private entities; and, generate commitment towards a culture of efficient utilization of energy for our future generation;

REPUBLIC OF THE PHILIPPINES
OFFICE OF THE CITY MAYOR
City of Naga

Section 3. Technical Working Committee. To ensure the efficient planning and implementation of activities related to the Energy Conservation Week, a Working Committee is hereby constituted to include the following:

City Environment and Natural Resources Office, as Chairman

Members:

- City of Naga Power Commission, Technical Working Group (TWG) Head
- Naga City People's Council
- Naga City Barangay Affairs Office
- Amateur Community Emergency Services Inc. (DX4-Naga City)
- Public Safety Office (PSO Mobile)
- Representative from the CASURECO II
- Association of Barangay Captains (ABC)
- Lingkod Barangay Office (LBO)

Section 4. Effectivity. This Executive Order shall take effect immediately.

Issued this 3rd day of February 2015 in the City of Naga.

JOHN G. BONGAT
City Mayor

Attested:

FLORENCIO T. MONGOSO, JR. CSEE
Department Head II and City Administrator
