EXECUTIVE ORDER NO. 2016-027

**RECONSTITUTING THE NAGA CITY COUNCIL ON DISABILITY AFFAIRS
(NCCDA):**

WHEREAS, the UN "Convention on the Rights of Persons with Disabilities" recognizes that in order for persons with disabilities to live independently and participate fully in all aspects of life, stakeholders shall take appropriate measures to ensure persons with disabilities' access, on an equal basis with others, to the physical environment, to transportation and communications including information technologies and systems, (Article 9) and to other facilities provided for public;

WHEREAS, the "INCHEON STRATEGY to Make the Rights Real for Persons with Disabilities in the Asia and the Pacific" again reiterates in Goal 3 – the need to enhance physical environment, public transportation, knowledge, information and communications as precondition for persons with disabilities to fulfill their rights in an inclusive society;

WHEREAS, Batas Pambansa Blg. 344 and RA 7277, otherwise known as the Magna Carta for Persons with Disabilities, recognize that in order to promote the realization of the rights of persons with disabilities to participate fully in the social life and development and enjoyment of opportunities available to other citizens in their respective communities, it is imperative to comply with the accessibility requirements;

WHEREAS, despite all these agreements, policies and laws both here and globally, implementation of these laws remains inadequate and enjoys low compliance;

WHEREAS, despite the fact that the National Council on Disability Affairs through its Sub-Committee on Accessibility led by the Department of Public Works and Highways (DPWH) has been conducting a series of seminars, accessibility talk-shops, and workshops to capacitate our stakeholders; still we have to include our persons with disabilities in our City and District Engineering Offices in monitoring and accessing audits to spur full enforcement of the Accessibility Law;
