WITNESSETH THAT:

- Whereas Tricycles are the main public transportation means in Naga City so that in 1994, in an effort to facilitate the wide provision of public tricycle services to the City's populace, an ordinance on Intra-City Trimobile Transport and Rationalization Plan (INTRAP) was enacted;
- Whereas in recent years, the Naga city's development, with the numerous economic, educational, medical, and cultural activities being held in the city, has led to the increase in the city's daytime population and the growth of demand for tricycle services by the riding public. It became apparent that many of the rules and regulations outlined in INTRAP are no longer being observed.
- Whereas the Sangguniang Bayan of the City passed ordinance no. 2016-050 mandating the revision and upgrading the INTRAP and creating a technical working group (TWG) to conduct a comprehensive study;
- Whereas the said TWG is interested to know the city people's desire with regard to the continued provision of transport services by the traditional tricycles and its volume/number, the volume/number of e-tricycles, and adoption of a stage fare or graduated fare system, among others;
- Whereas the CGN recognizes the capabilities and competence of the ATENEO particularly its unit, the Ateneo Social Science Research Center (ASSRC) to conduct this survey;

John G. Bongat
J. Rivera, S.J.

4. The ATENEO assumes the right to publish the results of the 2018 Naga City Transport Survey;
5. The ATENEO shall have access to the 2018 Naga City Transport Study for its own research needs;
6. The ASSRC agrees to undertake the 2018 Naga City Transport Study for a period of one month and two weeks starting upon the signing of this Memorandum of Agreement to the submission of the final technical report to the CGN; and
7. The CGN shall release to the ATENEO the amount equivalent to seventy percent (70%) of the total project cost of 300,000.00 as stipulated above, and representing PhP210,000.00 upon signing of this Memorandum of Agreement and another thirty percent (30%) of the total project cost, the final payment or PhP70,000.00, upon submission of the final technical report.

This Memorandum of Agreement shall take effect upon signing hereof by both the parties and shall remain in full force within the period stipulated above.

IN WITNESS HEREOF, the parties hereto affix their signatures on this 18th day of July 2018.
