

Legitimation of Natural Child

ABOUT THE SERVICE

LEGITIMATION is a remedy by means of which those who in fact were not born in wedlock and should, therefore, be considered illegitimate, are, by fiction, considered legitimate, it being supposed that they were born when their parents were already validly married.(1 Manresa 550, as cited on p. 251, Handbook on Family Code of the Philippines, Alicia V. Sempio-Diy)

Only Children conceived and born outside of wedlock of parents who, at the time of the conception of the former, were not disqualified by any impediment to marry each other, may be legitimated. (Article 177, Family Code)
