

## Conveying Complaints via eMail

### ABOUT THE SERVICE

Individuals may convey their complaints, feedbacks, requests for services on all aspects of city government operations e-mail. Improving access to the city government by individuals through various information and communications technology (ICT) tools is part of the i-Governance's objective to continually engage Nagueños in governance mechanisms so that the city government can enhance operations and improve service delivery.

The City Mayor and the i-Governance Program Office tracks and monitors complaints sent through text or e-mail.
