On joint and collective motion

**WHEREAS**, the City Government of Naga under its current administration has envisioned to make Naga a city where progress is all inclusive and everyone is happy and proud of their community and their government;

**WHEREAS**, essential to this vision is the existence of adequate standard infrastructure and other support facilities necessary for the efficient delivery of and enjoyment by the people of government services;

*crucifijos*

**WHEREAS**, in the realization of these projects and many others, as in the past, the City Government has partnered with the National Government agencies particularly the Department of Public Works and Highways in securing the necessary appropriation and the project implementation;

*r*

**WHEREAS**, this partnership in realizing the collective aspiration of Nagueños is even more crucial at this time of global health crisis, especially so that the city continues to struggle financially as tax collections declined as a consequence of the reduction of production and closure of local businesses during the lockdowns and other restrictions that were implemented to contain the pandemic;
