**Bid Bulletin: Procurement of Brand New 6-Wheeler Dump Trucks  
(Reference: CRN 2024-026)**

June 21, 2024

To all prospective bidders:

This Bid Bulletin is issued to amend and/or clarify certain provisions in the Bidding Documents for the above-mentioned project. This shall form an integral part of the Bidding Documents.

**1. Additional Accessories**

The vehicles must be equipped with the following additional accessories:

- Customized handrails should be installed on both sides of the truck body (*drawing attached*). This customization is necessary to improve the safety and convenience of users.
- A beacon siren mounted on the vehicle roof. This is required for visibility and alerting purposes.

**2. Public Address System Requirement**

The installed public address system must be from a reputable brand known for quality and reliability in such systems. This ensures clear communication and durability of the system.

All prospective bidders are advised to take note of these amendments and include them in their bids. Failure to comply with the requirements specified in this Bid Bulletin may result in the disqualification of the bid.

For further inquiries, please contact 0917-322-8225.

Thank you for your understanding and cooperation.

Sincerely,

  
**FRANCISCO M. MENDOZA**  
Chairperson, Bids and Awards Committee
