EXPLANATORY NOTE

In furtherance of the efforts of the City Government to ease road traffic and instill discipline among the motorists and users of the public roads and streets within the territorial jurisdiction of the City of Naga, policies on use of roads, side streets, traffic rules and regulations are continually reviewed, revised, or amended towards the improvement thereof.

Crucial in the achievement of the desire to ensure free flow of traffic in the streets of Naga City are the rules on parking and the strict implementation of these rules. As more business and other social development activities take place in Naga City, vigilance in ensuring proper use of roads is not indispensable but also urgent.

Thus, this Ordinance.
